Abortion in your past???

You are not alone!

Few can walk away from an abortion experience unscathed. It was supposed to be a quick fix, the only way to keep your life on track. But as hard as you try, the memories won't stay buried. The broken places in your life keep surfacing.

You may have made the decision willingly,

without any qualms, or you might have felt pressured—that it was your only option. In either case, you made your decision. But you had no idea how that choice would affect you.

“Forgiven and Set Free”

by Linda Cochran

You can begin your journey to healing today by making the commitment to participate in the this life changing Bible study. The study was developed out of the author's experience of being freed from the bondage of guilt and grief that followed her abortion.

The group's facilitators are experienced in leading the study and in supporting those who are grieving.

The Commitment:

The study meets weekly at Crossroads, Quakertown, call for start date of next group.

The cost of the workbook is \$8 and books will be distributed at the first meeting.

The group will meet for 12 weeks, *no new participants are enrolled after the 2nd meeting.*

To get the most from the study we ask that you commit to faithfully attending every meeting for the duration of the study.
